Ethan,

I'm not sure whats going on but to clear up any mis-communications between us, here goes. Yesterday we saw that $700.00 dollars was taken out of your bank account again for airline tickets.

We are camped in Statesboro Georgia, about 2 Hours from you. We are here so we can pick you up for Christmas break. at the Fort Jackson Army Base, not in Indianapolis. You mentioned a Shuttle taking the guys to the airport? If the Army wants us to pick you up at the Airport in South Carolina, thats ok, no problem or we can pick you up at the base (Fort Jackson) either way you don't need airline tickets. We have a Lady trying to cancel the tickets, the same lady that did it before. The problem is the lady said the only way an airline can charge you for Tickets is if you signed for them to do so. So please watch what you sign for.

Mom found a Vidio on her phone of you marching during Thansgiving.

We just found out the Army has a Website So we can see you on a

daily basis. We watched you marching pretty cool.

Well take care + Remember we love you very much + miss you teribilly!
